Furthermore, INDO AGRI FOODS LLP recognizes the importance of sustainability and ethical sourcing practices, as well as implementing eco-friendly production processes wherever possible.

Fresh Potato

Lady Rosetta (LR)

Lady Rosetta potatoes are favored for making crispy snacks and chips due to their excellent frying properties and flavor.

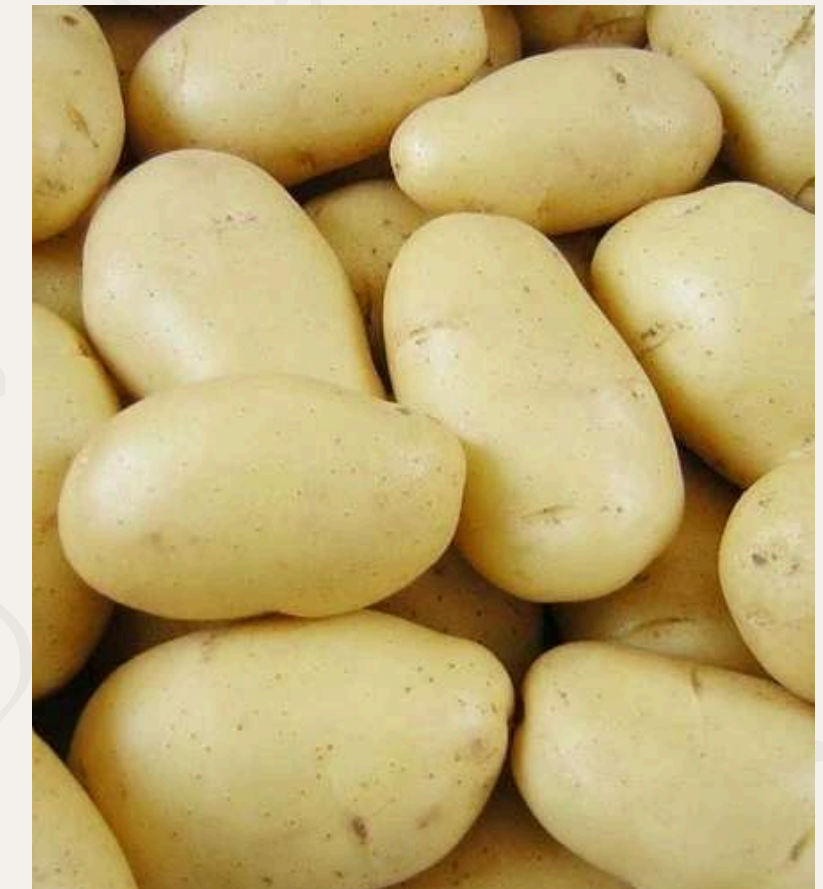

Laukar

Prized for their smooth texture and buttery taste, are commonly used in mashed potatoes and creamy soups.

Santana

Due to its high dry matter content and the way it retains its color when cooked, it is well-suited for making french fries.

Kufri Bahar

Also known as 3797 variety, known for White, large, round-oval, smooth skin, medium deep eyes, white flesh tuber.

Frozen Vegetables

IQF Green Peas

Tender and nutritious green peas, conveniently frozen for freshness.

Frozen Sweet Corn

Sweet and juicy corn kernels, frozen to capture their natural sweetness.

IQF Broccoli

Nutrient-rich broccoli florets, frozen at peak freshness.

IQF Baby Corn

Petite and tender baby corn, preserved at its freshest state.

Frozen Vegetables

IQF French Beans

Delicate French beans, flash-frozen to lock in their natural goodness.

IQF Carrot

Crisp and vibrant carrots, frozen to preserve flavor and texture

IQF Cauliflower

Versatile cauliflower florets, flash-frozen for convenience and nutrition.

IQF Okra

Fresh okra pods, frozen to maintain their crunch and flavor.
